The next issue will be sent out in August. Past and current issues are available on HEA’s website.

7. As of April 24, 2020, HEA membership had declined to 2,225 due largely to the aging of our members. Membership was 2,335 the previous year.

8. Laurie Togami attended the HSTA Institute Day with President Motokawa and Vice President Joan Husted. They distributed about 200 membership brochures and pens. 6 new HEA members were recruited from that day.

9. HEA’s Long Term Care Insurance Program with Continental Casualty Company and Ability Insurance is still being handled by LaBenz & Associates. There are 179 members enrolled in the Long Term Care Insurance program.

14. HEA continues to assist our affiliates.
   a. Assists Oahu Retired Teachers Association (ORTA) with membership record-keeping and publishing their semi-annual newsletter.
   b. Assists the Hawaii State Educational Officers Association (HSEOA) with depositing their dues and forwarding membership dues to NEA on a monthly basis.
   c. Provides clerical assistance to HSTA-R for their newsletter.

15. The HEA office was closed as of Friday, March 20, 2020 due to Governor Ige’s statewide order to stay at home, work from home to fight Covid-19. Staff has been working from home and taking turns going into the office to get mail, receipt checks, mail letters, etc. Phone messages are checked daily and calls have been answered by the next business day.

Respectfully submitted,
Laurie Togami
